

RICHLAND COUNTY
FOUNDATION

SPACE FOR

PHILANTHROPY

Space for philanthropy

Through generous donors, steady board leadership and strategic partnership, the Richland County Foundation embarked on a mission to expand its role as a responsive grant maker to one of becoming a transformational community leader. We launched the Economic Development Investment Strategy Project in 2014 which brought important stakeholders together to create an actionable roadmap for economic development in Richland County.

We followed that initiative with the Mansfield Rising Plan in 2018 by sending a group of emerging leaders, and soon-to-be citizen planners, to Austin, Texas to learn from some of the most creative thinkers in the world, to create the Mansfield Rising Plan that would be a catalyst for all of Richland County to grow through the revitalization of downtown Mansfield. The group's mantra would become - Mansfield is a place for business, living, and gathering.

Throughout our 78-year history, one thing will remain steadfast – Richland County is a place for philanthropy.

Community foundations are unique in that they harness the passion and generosity of people living in their communities. Through the work of a dedicated staff and board, we have been able to make impactful and lasting community investments.

The Annual Report reflects over \$6.4 million dollars in community investments made by our donors, while leveraging additional support through public and private partnerships. Investments like the grant made to The Ohio State University-Mansfield's STEM initiative will provide access on the regional campus to four-year engineering degrees. Local students now have a pathway to expanding career opportunities in computer chip production and cyber security.

The community conversation series, Kaleidoscope, will create a space for all residents to come together to learn and share ideas on building a healthier, better educated and more economically stable Richland County.

We truly appreciate your generosity in supporting the Community Foundation and its vision to enrich and improve the quality of life in our community.

- 2 Renaissance Performing Arts
- 3 Friendly House

Record number of donors makes Richland Gives a success

Richland Gives, an online giving event hosted by the Richland County Foundation, raised \$514,386 via 2,000 donors to benefit 106 Richland County nonprofit organizations. Since its inception in 2015, Richland Gives has raised almost \$3M.

Richland Gives is designed to encourage people to contribute to local nonprofits they care about through a single giving website. The foundation hosted the day to build capacity, grow philanthropy and make the community stronger. It allows local organizations to raise funds and awareness as well as cultivate new donors and reinvigorate lapsed donors.

The Foundation awarded grants as prize incentives during the giving event. The nonprofit organizations that had the most donors or raised the most dollars in the small, medium, and large nonprofit categories were awarded \$5,000 for first place, \$3,000 for second place, and \$1,000 for third place. Nonprofits could win only one leader board prize.

Mansfield

Rising update

In 2018, the Richland County Foundation leadership took an unusual track to develop an investment strategy for downtown Mansfield. Instead of hiring a professional consulting firm, it had a citizen-led group create the plan.

The Foundation turned regular citizens into consultants which gives depth and authenticity to the plan. It provides a road map for projects and opportunities for partnerships to continue the renaissance of Mansfield. The Foundation committed \$1.5 million to execute the Mansfield Rising Plan.

Murals were painted as part of the public art project.

A design for the Main Street construction at Central Park.

Mansfield Rising projects underway this year

Main Street Improvement Plan

The City of Mansfield was awarded a grant to help fund the updated Main Street streetscape. Investing in Main Street is a high priority action item in the Mansfield Rising Plan. The project will beautify Main Street, make it pedestrian friendly, add new sidewalks, crosswalks, lighting, waterlines, and drainage system. New brick crosswalks are designed to meet ADA requirements to improve visibility and safety.

A suspended catenary lighting system will be installed over Main Street between 4th and 5th streets and a decorative ring light will be suspended over the mid-block crossings on Park Avenue between Main and Diamond streets. Construction on Main Street will begin in 2025.

Wayfinding for Main Street

Downtown Mansfield Inc. was awarded a grant to fund the first phase of a community wayfinding project. Using the principles and guidance from the Mansfield Rising Plan, wayfinding along the Main Street corridor and throughout downtown will be incorporated. The wayfinding will integrate the new brand and highlight destinations and promote downtown districts. It will be visually appealing and interact seamlessly with both pedestrian and vehicular traffic.

Branding

A committee worked with a marketing firm to create a brand and message for Mansfield. The Richland Area Chamber and Economic Development and Destination Mansfield – Richland County started using the new brand in their publications and advertising. The purpose of branding Mansfield and Richland County is to weave a powerful and positive story to raise awareness about why this is a great place to live, play and conduct business.

Public Art Project

The City of Mansfield in coordination with the Richland Community Development Group Art Sector created a Public Art Commission to vet projects. Public art projects were funded by various organizations with a 50% matching grant from the Richland County Foundation. Up to \$50,000 in matching funds has been made available to create art in a variety of methods, including traditional painted murals, window art, as well as temporary and permanent public art on visible walls and surfaces.

Movies were shown on a wall at the Renaissance Theatre.

Free Outdoor Movies

The Renaissance Theatre, Mansfield-Richland County Public Library, Buckeye Imagination Museum, and Idea+Works collaborated to show outdoor movies with funding from the Foundation for the second year.

Improve the Look of Businesses in Downtown

The Downtown Mansfield, Inc. Facade Improvement Fund received grant funding from the Foundation and Mansfield City Council. The matching grants will be awarded to building owners to make improvements.

Steve and Michael Frampton visit the Warren Rupp Observatory.

THE WARREN RUPP OBSERVATORY

In the 1970s Warren Rupp sat at his dining room table listening to Bruce Scodova talk about building an observatory. Bruce was so excited to present Warren with this idea that he did not notice a teenager lounging on the couch in the next room. That teenager was Steve Frampton, grandson of Warren, and current advisor to the **Fran and Warren Rupp Fund** at The Richland County Foundation.

This past summer Steve and his son, Michael, visited the Warren Rupp Observatory at Hidden Hollow Camp and swapped stories with Bruce about the beginnings of the observatory. The Fran and Warren Rupp Fund continues to support projects and programs in Richland County that are important to the Rupp and Frampton families.

The Warren Rupp Observatory has grown into one of the largest outreach astronomical organizations in the country.

Besides the Richland Astronomical Society, the Fran and Warren Rupp Fund supports many other organizations such as the Mansfield Art Center, Mansfield City Schools, North End Community Improvement Collaborative, Renaissance Performing Arts and Wayfinders Ohio (formerly known as Harmony House). It also has funded internships at local nonprofits since 2015.

DAMON MAUK MEMORIAL FUND

The **Damon Mauk Memorial Fund** was established by his mother Andrea and stepfather Edward with the primary goal of providing resources to schools in Richland County, starting this year with the Lucas Local Schools Special Education Department. This fund aims to bolster programs and initiatives that assist students and teachers in the classroom of neurodivergent minds, addressing their unique educational needs.

Damon Mauk faced challenges throughout his school journey, leading to an early adoption of an Individualized Education Plan (IEP). His barriers included obstacles like sensitivity to fluorescent lights and challenges in test-taking. To support his academic needs, Damon required specific accommodations such as noise-canceling headphones, a standing desk, and additional tutoring in quiet places. Damon's mother, Andrea Mauk, feels that many people lack an understanding of neurodivergent minds but that accommodations from an IEP can lead to both academic and personal success.

By Buckeye Imagination Museum Public Relations Coordinator Brenna Koch. Photo: Brenna Koch

A pilot, pharmacist, and public relations coordinator are three of the careers former Buckeye Imagination Museum interns have pursued.

The **Fran and Warren Rupp Fund** at the Richland County Foundation began supporting internships at local nonprofits in 2015. Each year the Rupp Fund invests \$170,000

between summer and winter internships to further the education of students and increase capacity at local charities.

Over the years, many interns walked through the doors at Little Buckeye Children's Museum, now Buckeye Imagination Museum. Each one was unique, but all have proven

to be successful in their lives after their internships. Here are some examples of success at the Buckeye Imagination Museum.

Natalie Tasseff was one of the first interns, she worked at Little Buckeye Children's Museum while she was a student at Ohio Northern University, studying Pharmacy. She went on to get her degree and become a licensed pharmacist.

Another well-known intern was Suzanna Hammond. She studied Child & Youth Studies at Ohio State University Mansfield. After she received her bachelor's degree, she worked full-time for the organization for over seven years. Suzanna is now pursuing her master's degree.

Katie Volz studied Aeronautics at Kent State and went on to complete her courses and became a pilot.

Finally, the most recent intern success story was Brenna Koch. She was a long-term intern for Buckeye Imagination Museum. She majored in Marketing & Business Administration at North Central State College. After graduation, she was hired full-time as the Buckeye Imagination Museum Public Relations Coordinator. She is happy to work for the museum and is very grateful for the opportunity provided by the Foundation.

Andrea's vision for the Damon Mauk Memorial Fund is to create an initiative that ensures all children have the resources to learn and grow by supporting them in how they best learn. She also wants to raise awareness about IEPs and the challenges that teachers, parents, and students face when adapting to learn how children think differently in the classroom.

Despite Damon's own academic struggles, he showed compassion by actively assisting fellow classmates by not being ashamed of his differences, which helped foster inclusivity within the school community. Damon graduated on the Honor Roll from Pioneer Career and Technology Center (PCTC) and Lucas High School. He was employed by Adena Construction through the Home Remodeling program

and enrolled in real estate certification before he tragically lost his life in a car accident in June 2023. Andrea expressed gratitude for the teachers who provided support during Damon's time at PCTC and Lucas Schools.

What is an IEP? An Individualized Education Plan (IEP) is a personalized plan developed to ensure that a child with an identified disability, attending elementary or secondary school, receives specialized instruction and related services tailored to their needs.

For information about IEPs, resources can be found at individual school districts and on the websites of Mid-Ohio Educational Service Center and the Ohio Department of Education. For Damon's story, visit damonmauk.org

DEVOTED TO CARING FOR ANIMALS

The mission of the **Humane Society of Richland County** is to advocate and compassionately care for the abandoned, abused, and neglected animals in the community and to find them loving homes.

To help further its mission, the Humane Society established an agency designated fund at the Richland County Foundation.

The fund will help sustain the Humane Society through investments made by the Foundation and additional donations from generous individuals and organizations. The fund will produce an annual income for the Humane Society.

Stability is the main reason nonprofit organizations set up a fund at the Foundation. It allows an organization to diversify its income and reduces dependency on annual fundraising. It also provides donors with an option to make gifts now or in their will.

In 2019 the Foundation awarded a grant to the Humane Society to assist with a reorganization plan for sustainability. The plan included a newly created position, managing director, to provide leadership in operations, including budgeting and fundraising.

“The new fund is exciting for us, and things have come full circle. Thank you for taking a chance on us when the shelter was on the verge of closing. It

Foundation President Brady Groves and Humane Society of Richland County Managing Director Linda Chambers.

was an investment in us, and I am proud we turned things around,” said Humane Society of Richland County Managing Director Linda Chambers.

“Investing through the Foundation is the most meaningful type of investment for us. You believed in us, and we believe in you,” said Chambers.

“The Humane Society is a success story and you have paved a path for others to follow,” said Richland County Foundation President Brady Groves.

The Humane Society rescues and protects mostly cats and dogs; however, it also cares for an occasional goat or horse. The Humane Society serves three to four times the number of cats versus dogs. A typical census is 15 dogs and 30-50 cats.

The Humane Society hosts three fundraisers a year. In the spring, a gift appeal letter is sent to raise funds

for the annual influx of kittens. In the summer, iHeart Media Vice President of Programming and Humane Society Board Member Chris Kelly conducts a “Paws-a-thon” on the radio. In the fall, “Dogs, Drinks and Donuts” is held at the Phoenix Brewing Company which was a huge success last year.

The organization posts social media campaigns to meet a specific need such as a costly surgery.

“It is amazing how quickly people help. They can see the immediate impact of their gift through a healthy animal,” said Chambers.

Two projects planned for this year are the installation of a generator and a Catio, the Humane Society’s version of a three-season room. The space will allow cats to roam free and get fresh air.

Learn more at <https://adoptourstrays.com>

The Humane Society of Richland County opened the doors at a new shelter at 3025 Park Avenue West in Ontario, Ohio in 2009.

FACILITY

- 8 dog runs for large breed dogs, with inside/outside access and room to move.
- 16 full size dog cages
- Two fenced in dog play areas
- 100 cat cages and a large free roaming cat area
- Welping room – for pregnant or nursing dogs
- A playroom for potential pet adopters to privately get acquainted with our shelter pets.

HISTORY

- Established in 1884, the Mansfield Humane Society was originally created for the protection of animals, seniors, and children.
- As other programs became available for people, the Humane Society turned its focus solely on the care and protection of animals.
- Received its 501c3 non-profit status in 1971.
- Name was changed to Mansfield-Richland County Humane Society in 1984, and later filed to “do business as” The Humane Society of Richland County in 2005.

RCF President Brady Groves and Wayfinders Ohio Executive Director Kelly Blankenship.

Harmony House Homeless Services, now known as **Wayfinders Ohio**, set up an agency endowed fund to support the organization in the future.

The rebranding effort coincides with a new direction.

Wayfinders Ohio Director Kelly Blankenship said they engaged Source Brand Solutions to help with a rebranding effort. “The new name encapsulates the essence of what we do which is help people find their way,” said Blankenship.

Harmony House Homeless Services has been in operation since 1990. Vicki Kane was the first director. Kane retired and Blankenship has been leading the organization since 2018.

“We established the agency endowed fund because we do not have dedicated funding. Other agencies rely on levies, we do not have that luxury,” said Blankenship.

“This agency fund will help us diversify our funding.”

Wayfinders Ohio has a six-member board, Gene Parkison is the chairman.

“The board responded favorably and quickly to the idea of an agency fund,” said Blankenship.

“Gene provides the leadership and skills we need as an organization. He also has the knowledge and history of the organization.”

Services Provided by Wayfinders Ohio

- 58-bed facility for emergency shelter in a safe, clean atmosphere
- Capacity for 36 women and families and 22 men
- Full-service kitchen, meals, food, laundry services, personal care items, toiletries, and bedding
- Comprehensive case management, which includes referrals to community resources and setting and following goal plans
- Assistance in resolving education, employment, medical, mental health, legal, and housing issues in a supportive and caring environment
- Weekly Job Readiness and Life Skills training
- Transportation for job searches
- Aid in securing permanent, stable housing
- Financial assistance with rent and security deposit

PHILANTHROPIC DONORS IMPROVE DEER PARK IN MANSFIELD

Jana Fisher with her mother, Alma Fisher.

A family’s love for **Deer Park** off Home Road in Mansfield led donors Alma and Jana Fisher to fund improvements there.

Over the past several years the Robert E. and Andrew S. Fisher Fund of the Richland County Foundation has

funded renovations to the park. A casual visitor to the park may not realize the depth of the investment. However, the area has been beautified and flooding in the parking lot has been mitigated.

The donors and staff from the City of Mansfield Engineering and Parks & Recreation departments have met numerous times over the years to discuss plans for the park.

The first upgrade funded by the donors was the reconstruction of the bridge between the parking lot and the B&O Bike Trail in 2017. The old wooden bridge had washed away.

The City of Mansfield Engineering Department Senior Project Planner Blair McClenathan followed the 2022 improvements and managed this summer’s project at Deer Park. The donors are extremely pleased with his work.

“Working with the donors to fulfill their vision for Deer Park has been a personally rewarding project for me. I’m very excited to see more people using and enjoying the area,” said McClenathan.

The 2023 Deer Park improvements included nine new trees, 10 pull-in parking spaces striped with parking blocks, two parallel parking spaces striped, two large benches, a new picnic table on a concrete pad, new utility poles with lights, beautified stream channel and removal of several dead or dying trees.

The sandstone blocks that now mark the entrance to Deer Park were salvaged from the demolition of the former Ocie Hill Community Center.

The 2022 Deer Park Improvements included resurfacing the parking lot, installation of a new catch basin, sidewalk, and benches.

Grants

Children's Author Jennifer Shaw spoke to students at Malabar Intermediate School about acceptance, diversity, and culture with a focus on creative writing -highlighting her book "Dumplings Mean Family." The Foundation supported this program with a grant.

Local students in fourth through ninth grade learned about manufacturing during the Summer Manufacturing Institute provided by NECIC, Regional Manufacturing Coalition, EPIK, and a Summertime Kids Grant from the Foundation.

Children enrolled in childcare at the Mansfield Branch of the YMCA of North Central Ohio participated in Safety Town. The program received a Summertime Kids grant from the Foundation. YMCA Executive Director Cristen Gilbert said parents appreciated the on-site Safety Town because they cannot leave their jobs to take their kids to another program.

Malabar Intermediate School students enjoy farming in a hoop house funded by a grant from the Foundation.

The Mansfield Art Center received a grant to make its facility ADA-compliant in a dual effort to create a more accessible environment for visitors, as well as capitalize on funding opportunities. The changes include the installation of automatic doors at the entrance, equipping the elevator with an electric eye and ADA-compliant controls, removal of physical barriers in the elevator hallways, adding an ADA-accessible drinking fountain, portable seating for individuals who have a difficult time standing for long periods of time, and updates to the main floor restroom.

Human Services 63 Grants - \$472,517

Wayfinders Ohio, formerly known as Harmony House, was awarded a grant to support its Rapid Rehousing Program. The program helps people experiencing homelessness become stable and independent members of the community by assisting with safe and affordable housing, rent, security deposits, and utility connections. In the photo, people gathered during a fundraiser called "The Coldest Night" to raise money for Wayfinders Ohio.

UNLOCK THE POWER OF GIVING

Discover Meaningful Ways to Make a Lasting Impact in Richland County

Whether you are considering a gift to the Richland County Foundation or another nonprofit in our community, the Giving Guide is your roadmap to philanthropic opportunities that make a difference year-round.

CREATE A FAMILY FUND: Unite Generations in Philanthropy

Gather your family for a meaningful conversation about shared values and giving. Let the Richland County Foundation guide you in establishing a Donor Advised Fund—a personalized charitable giving account. Our dedicated staff will offer valuable insights, connecting you to the causes that resonate with your family's vision.

DONATE STOCK: Maximize Your Impact, Minimize Your Taxes

Consider the power of donating highly appreciated stock to the Foundation. Receive a deduction for the fair market value and eliminate capital gains taxes. Business owners take note: you can strategically offset taxes from the sale of your privately held company by donating a portion of the interests to a charity. Plan with your tax advisors to make every donation count.

OPEN A CGA: Elevate Your Legacy with a Charitable Gift Annuity

For individuals over 60 seeking a thoughtful investment, a Charitable Gift Annuity (CGA) offers increased payout rates and the opportunity to make a lasting impact on the community. This unique plan allows you to contribute to local causes while securing a guaranteed income stream for yourself.

MAKE A GIFT OF A LIFETIME: IRA Transfers that Transform Communities

Individuals aged 70½ and older can unlock the potential to impact local charities without federal taxation by transferring assets from their Individual Retirement Account (IRA). Contact the Foundation to discuss how your IRA transfer can contribute to community growth and improve social service programs for the benefit of all.

A GIFT IN YOUR WILL: A Lasting Legacy for Richland County

Once your loved ones are cared for, consider including a gift to the Richland County Foundation in your will or trust. Your foresight can help build a stronger, more vibrant community for generations to come.

Donor RECEPTION

Brigette Burnell, Tony and Melanie Vero

GIFT OF GRAIN FUND TO BENEFIT AGRICULTURAL NONPROFITS

A Gift of Grain Fund was established by the Richland County Foundation Board to accept donations from area farmers and others, and it provided an initial \$15,000 to seed the fund. The Foundation will work in partnership with local farmers to award grants to agricultural related nonprofit organizations such as 4H and FFA.

Farmers looking to minimize their tax liability while making a gift to their community can donate grain to the Foundation at a local elevator. Accounts are set up at Centerra Co-op in Mansfield, Sunrise Cooperative in Crestline, Poet Bioprocessing in Marion, and Central Ohio Co-op in Mt. Vernon.

Farmers should consult with their tax advisor to determine whether a donation of commodities is appropriate to their tax situation.

The fund also accepts gifts of cash, and other assets such as appreciated stock and IRA charitable rollovers. For more information go to richlandcountyfoundation.org.

Clear Fork High School FFA students Addison Johnson and Iona Hickerson handed out information about the Foundation's Gift of Grain Fund. Gift of Grain Fund grants are awarded to Richland County agricultural-related nonprofits.

Funds

To make a gift to any fund at the Foundation go to rcfoundation.org, click the donate button. Select a fund from the first dropdown box or begin typing the fund name and it will auto populate. Or you can write a check to the Richland County Foundation and note the fund name on the memo line.

The Board of Trustees approved \$868,450 in college scholarships to 278 Richland County students. Scholarships are awarded based on a student's financial need and grade point average. The average scholarship amount was \$3,124. Pictured here is Clear Fork graduate Cael Clark with his parents Donnie and Jamie Clark.

The Foundation Board of Trustees awarded \$73,100 in Career Technical Education Scholarships. In aligning with Ohio's Attainment Goal, the Foundation wants to help fill the gap between job openings and certified employees as well as lead the way to support workforce development through CTE scholarships. Alexis Thompson received her certification from Pioneer Career & Technology Center Superintendent Greg Nikoli.

SHERRILYN R. WILSON LANGUAGES SCHOLARSHIP FUND

A teacher gave Sherrilyn Wilson the nudge she needed to find her career path.

"My high school Spanish teacher, Renee Zody, nominated me for a scholarship at The Ohio State University at Mansfield. That led me to major in Spanish and to my career with the U.S. government as a Spanish linguist."

"Before that, I never contemplated a career and thought I would be a secretary just like my mother," said Sherrilyn.

She wants to return the favor and help other students.

To that end, Sherrilyn set up a scholarship fund for Richland County students. Primary preference will be given to those who major or minor in a foreign language and secondary preference will be given to those who major or minor in foreign affairs, international relations, or political science.

Sherrilyn said it is important to be bilingual and have a worldview. There are so many career options for a person who studies languages.

She is a graduate of Lexington High School and The Ohio State University. Her 33-year federal career included assignments with the Department of Defense, the Department of Energy, and the Department of State. She spent 12 of those years living and working in Mexico, Colombia, Guatemala, and Panama.

Anyone can donate to the Sherrilyn R. Wilson Languages Scholarship Fund, go to richlandcountyfoundation.org, click the donate button and select the fund from the drop-down box or write a check payable to the Richland County Foundation and note the fund on the memo line.

Bold Type indicates new fund

Taking Root Farms is a new nonprofit that was created to support adults with intellectual developmental disabilities to participate in vocational training, skill-building, and recreational activities in a farm setting. The Foundation awarded a grant to support its Field of Opportunities Capital Campaign to build a new barn on the property of Raemelton Therapeutic Equestrian Center. With similar missions, the two organizations partnered to create a long-term, low-cost lease of six acres of land. Once the barn is built, regular programming will begin.

The City of Mansfield Parks & Recreation Department was awarded a grant for an inclusive and accessible park at Sterkel located off Hollywood Lane. The park will include wheelchair accessible equipment, restrooms, a pavilion, and walking paths with a goal of creating an environment where children of all abilities can play together.

DONOR DESIGNATED FUNDS allow donors the opportunity to provide annual support to specific charities of their choice.

CHARLES LOOTENS FUND

The Charles Lootens Fund is a donor-designated fund for the purpose of classroom and program needs for automotive, diesel, power equipment, and aviation mechanics programming at Pioneer Career and Technology Center.

The fund memorializes Charles, who was a public-school teacher. He passed away in December 2022.

From a young age, Charles needed to know how things worked and he taught himself in many areas. He worked on bicycles, lawn mowers, cars, and motorcycles. He fell in love with flying and became a Master Aircraft Mechanic. He restored antique planes and helped many young people get interested in aviation.

Katie, Leah, Kristine, and Todd Lindeman

Todd and Kristine Lindeman want to use their newly created donor advised fund at the Richland County Foundation to help improve the community.

“Philanthropy is part of our family DNA. Our daughters, Katie, and Leah, hear us talking about giving back. It will be exciting to get them involved in the decision making process.”

Donor advised funds are convenient, flexible tools for individuals, families, or businesses that want to be personally involved in suggesting grant awards made possible by their gifts.

Todd and Kristine own Alumni Roofing Company Inc, a commercial/industrial roofing company that has been serving the region for 25 years. “We need to be able to attract qualified employees. Being able to assist organizations that are educating and supporting our skilled trades workforce is important to us. The fund will give us a way to give back to an industry that has been very good to us,” said Todd.

Kristine has been involved at the Foundation for several years.

She was instrumental in establishing The Compassion in Action Fund at the Foundation when the nonprofit board decided to sunset the organization. They felt a fund at the Foundation could continue to execute the goals of the nonprofit through grants. Compassion in Action started in 2012 to help a Clear Fork School family with medical bills. After that, the nonprofit hosted several more benefits to help families in similar situations.

She was a member of the Women’s Fund for six years and served as Chairwoman. During her tenure she helped lead a childcare initiative to improve the quality of childcare in the county and make it affordable and accessible. She also played an integral role in an endowment campaign to raise money to take the fund over the two-million-dollar mark. She remains a strong advocate for the Women’s Fund as an ex-officio member.

“We have enjoyed getting to know the Foundation and what it does, and we trust the organization,” said Kristine.

DONOR ADVISED FUNDS allow the donor the opportunity to make grant suggestions to their favorite charities during their lifetime, and are an attractive alternative to a private foundation, offering the same benefits without the responsibility and cost of administration.

HOSPICE OF NORTH CENTRAL OHIO MEMORIALIZES A LOCAL COUPLE

Richland County Foundation President Brady Groves and Hospice of North Central Ohio Chief Development Officer Ralph Tomassi.

Following a legacy estate gift, Hospice of North Central Ohio established the **Charles A. & Doris G. Farina Endowment Fund** at the Richland County Foundation.

The fund will provide an annual income to HNCO through investments made by the Foundation.

Another portion of the estate gift will support end-of-life, palliative care, and bereavement services provided by HNCO.

Married for 47 years, Charles and Doris Farina were longtime Galion residents who were employed in various capacities in Richland County. Charles was a retired police officer, businessman, and a veteran of the United States Army, where he was a championship boxer. Doris was a realtor and a volunteer. Both were members of Grace Episcopal Church in Mansfield.

The gift from Charles and Doris validates the power of planned giving.

“By designating HNCO in their estate, the Farinas will support current needs while assuring the long-term viability of our nonprofit organization,” said HNCO Chief Development Officer Ralph Tomassi.

“They lived extraordinary lives and possessed charitable hearts. We will be good stewards of their generosity and perpetuate their names in a place where they were well known and respected.”

HNCO has provided compassionate care for patients and families wherever they call home since 1988 regardless of their ability to pay. HNCO recognizes legacy estate gifts in perpetuity in its Heritage Society.

To learn more go to myhnco.org.

AGENCY ENDOWED FUNDS offer nonprofits the opportunity to build an endowment which may support or provide an annual revenue stream for the overall operations of the organization. Organizations not only benefit from this additional revenue but also from the Foundation’s financial stability and integrity that assures their donors that their gifts will be prudently managed.

AGENCY ENDOWED FUNDS

- Area Agency on Aging Ohio District 5 Fund
- Carrousel Community Trust Fund
- Catalyst Life Services Endowment Fund
- Children’s Theatre Foundation, Inc. Endowment Fund
- Discovery School Endowment Fund
- Domestic Violence Shelter Fund
- **Charles A. & Doris G. Farina Endowment Fund**
- First Congregational Church Endowment Fund (D&I)
- First Presbyterian Church (U.S.A.), Mansfield, Ohio Endowment Fund
- Hospice of North Central Ohio Endowment Fund
- Hospice of North Central Ohio Children’s Bereavement Camp Fund

- Mansfield City Schools Fine Arts Fund
- North Central Ohio Land Conservancy Designated Fund
- Pioneer Career and Technology Center Equipment and Technology Fund
- Richland County Historical Society Fund
- Richland Newhope Industries Fund
- Richland Newhope Fund II
- Salvation Army Fund
- University Club Educational Foundation Scholarship Fund

Bold Type indicates new fund

The Women’s Fund

RICHLAND COUNTY FOUNDATION

The WF also selected the **JoAnn Dutton Volunteer Community Service Award** winner. The award was named in honor of JoAnn Dutton, former executive director of the Mansfield YWCA. It celebrates women who devote a significant amount of time and energy in a meaningful way to local charitable organizations.

The winner was Christine Myers, the co-founder of The Visual Bucket List Foundation, a charitable nonprofit organization created in 2016 that grants wishes to children losing their vision. The organization was created as a pay-it-forward project for her daughter, Elizabeth, who, after receiving a medical diagnosis that could one day rob her of her vision, was granted a trip to Istanbul and Rome where she was blessed by Pope Francis and given a once-in-a-lifetime trip. The gift was so grand, Christine and her husband, Steven, felt compelled to pass along their gift to whatever extent they could and provide lasting memories for children in a similar position as their daughter.

Women’s Fund awards grants

The Women’s Fund awarded grants to: **Third Street Family Health Services** to provide new mothers with crucial supplies, **Mid-Ohio Youth Mentoring** to provide feminine hygiene products, and **The Domestic Violence Shelter** to provide clothes at the hospital to sexual assault victims.

Pictured above: Women’s Fund Committee Members: Nyasha Oden, Amy Goyal, Debra Weaver, Sarah Horrigan-Ramos, Amy Hiner, Elizabeth Daniels, Margaret Lin, Amy Brunell, Veronica Williams, and Kristine Lindeman.

Pictured left: Cathy Goldman presented the JoAnn Dutton Award to Visual Bucket List Co-Founder Christine Myers.

Pictured are Women’s Fund Vice Chairwoman Amy Hiner, Domestic Violence Shelter Executive Director Colleen Rice, and Women’s Fund Chairwoman Elizabeth Daniels.

* Contributed in Memorium

Over 90 local childcare providers enjoyed a continuing education conference at the North Central State College Kehoe Center thanks to a partnership between the Women's Fund, Richland County Youth and Family Council, the YWCA, and the YMCA.

Connections Fund members Cassie Brumfield (and family), Marcella Smith, Cristen Gilbert, and Nyasha Oden participated in the North End Community Improvement Collaborative Clean Up.

Junior Achievement of North Central Ohio received the 2023 Connections Fund grant for its program “Destination Career: Richland County.” The collaborative partnership between JANCO and LeaderRichland will provide in-class career exploration or financial literacy to 7th and 8th -grade students who stay at their home campus as their fellow classmates visit the Ohio State University at Mansfield and North Central State College campus.

The Connections Fund was established in 2004 with a mission to foster and retain young professionals and promote a philanthropic identity

and community involvement. For many years, the mission was successfully accomplished through a grant cycle supported by a membership program, which included social events and networking opportunities. Between 2006 to 2020 the Connections Fund awarded 101 grants totaling \$120,000.

Enter the pandemic. As social events were off-limits and the main driver for fundraising to support the grant budget, the committee was faced with taking a hiatus from grantmaking and social gatherings. Although disappointing, it afforded the committee a chance to consider ways to strengthen its program of work.

The fund now focuses on connecting with emerging philanthropists, rather than just young professionals, to meet individuals where they are in their philanthropic journey no matter their age.

Recognizing the inherent need nonprofit organizations have for volunteers, the committee has a goal to volunteer at least once a quarter. In 2023 members participated in eight volunteer opportunities.

Instead of an open grant application, the committee will make an intentional and focused grant annually.

Connections

at the Richland County Foundation

Connections Fund members volunteered at The New Store which provides clothes to students in need. Front row left to right: Rachel Schag, Cassie Brumfield, and Marcella Smith; back row: Matthew Schag, Mark Abrams, Kenny Ousley, Siera Marth-May and Holly Dawson.

St. Peter's Head of School Laurie McKeon (pictured left) introduced the school's McGowan Courage Award winner Kanija Green. The Rotary Club of Mansfield sponsored the awards which are supported by the McGowan Courage Awards Fund at the Foundation. Laurie is a new member of the Legacy Society.

The Legacy Society was established by the Board of Trustees in the year 2000 to recognize individuals during their lifetime who have made plans to leave a gift to this community in partnership with the Richland County Foundation. This gift may be through their estate plans, written in their will, including the Foundation as a future beneficiary of their IRA, insurance policy, remainder trust, or other similar planned gift.

The Richland County Foundation acknowledges the generous people who have planned a legacy to their community through gifts that will eventually come to the Foundation for the benefit of others.

Donors

A grant was awarded to the Area Agency on Aging for increased security at its new Ritter's Run Senior Housing Complex on Ohio Street in Mansfield. A local security company installed video cameras around the exterior of the units, individual alarms in each unit, and emergency notification tower systems along the walking paths around the units. The measures will allow residents to feel safe in their homes and neighborhood.

The City of Mansfield Engineering Department was awarded a grant to build a pedestrian/bike tunnel under South Trimble Road to connect the bike trail to a walking path. A new 1.1-mile trail will start on the bike trail between Marion Avenue and Deer Park and traverse a nature preserve to South Trimble Road. The new tunnel will run under South Trimble Road near Akron Children's Hospital and connect to a 1.35-mile walking path along Trimble Road into Woodland. Photo courtesy of Destination Mansfield.

FOUNDATION

The Richland County Foundation has been recognized for having organizational and financial practices that are in compliance with National Standards for U.S. Community Foundations.

The mission of the Richland County Foundation is to improve and enhance the quality of life in Richland County through strategic philanthropy and community leadership.

Provide Leadership and act as a catalyst in identifying and addressing emerging community needs.

Distribute Grants for charitable purposes in the areas of Health, Economic, Community Development, Basic Human Needs, Education, Arts & Culture, the Environment, and Community Services.

Prudently Manage the Foundation's resources to achieve the maximum benefit for Richland County in perpetuity.

Identify and Cultivate Donors of all economic means and charitable interests.

Assist Donors in establishing funds to meet community needs and distribute proceeds in accordance with the donor's intent.

Raemelton Therapeutic Equestrian Center was awarded a grant to supply equine-based therapy scholarships to individuals with physical and intellectual disabilities. The funding will allow students who do not have the financial resources to pay for services to benefit their development.
